If you are advertising your animal elsewhere, we will need the name of the other rescues.

If you find a private rehome, we are happy to homecheck for your animal.

We must be notified immediately if your animal has been rehomed, or is no longer available, this prompt action may help us save another life.

**Please note:**

**1: This form must be filled out in full, missing information will hold up the process.**

**2: This form is in no way a promise that we can take your pet.**

**3: If we cannot help with your pet, we may have a rescue who we work with that may be able to help. By signing this form you are allowing us to pass your details onto another trusted rescue who may contact you direct.**

**4: If we cannot help your pet immediately, we may ask that you hold your pet safe until such a time that a space becomes free.**

**5: If your pet is un-neutered, un-vaccinated, not passported etc, you will be asked for a donation to help towards these procedures. This charity cannot carry the costs of this.**

**6: Any false information or information not shared here, could be detrimental to the animal and narrows the animals rehoming options, but withholding information could be dangerous to the public, so please make sure you have stated everything.**
